

# RUDRO DHAR

FRONT-END WEB DEVELOPER

## About Me

Greetings I am Rudro Dhar. With Perseverance I am studying in Diploma in Engineering 7th semester. Alongside with study I want to become a Web Developer. For that I am trying harshly to prove myself in Web Sector. Currently I am familiar with HTML CSS BOOTSTRAP and I can design website with JavaScript efficiently. And I am willing to master in React in Future as soon as possible . Later on If I got a chance to serve your company through my internship i will consider myself blessed
